The Premises:

Very safe, with really good security. Close to railway stations and with good cheap on-street parking, in a fairly quiet commercial area. Two good big rooms and one smaller one, all very clean and tidy. In addition, a warm welcome and cup of tea ready on arrival, courtesy of the sweet Briony.

The Lady:

These are two excellent performers who, until recently, worked around the corner at Blue Ice. I'd first seen Amber there about 4 or 5 years ago, after which she took a long break from Birmingham (working in Cheltenham), and reappeared very recently, almost immediately switching to the Studio. Similarly, Ayisha was first at Blue ice a year or so ago, then had an absence before returning, also very recently, again almost immediately decamping to the Studio. It's strange that this traffic has always, for years, appeared to be so one-directional.

Both girls are petite and horny little minxes, in their twenties, I'd guess, and with very attractive firm young bodies. Ayisha's tits are particularly special (though Amber's are good, too).

The Story:

Did all the usual 2G things, and did them well and with enthusiasm. DFK'd both and had OWO from both. As to the main events, for starters Ayisha climbed on top for cowgirl, then I took her in mish. Next, I had Amber in doggie, before shooting a load, at her invitation, all over her arse (while Ayisha was lying alongside, legs-open and playing with herself. There was continuous filthy talk and encouragement from the girls, who finished me off with a calming light massage (which, as I often point out, is what I really go punting for!). CIM and facials are on the menu, with Ayisha at least, at an extra charge (a tenner?), and I might well try this next time. Somehow, I never got round to asking Amber what extras she offers. Highly recommended.
