### The Story:

Sapphire is one of those amazonian fantasy types, with charm, humour and star quality. Had to wait a while before the room I wanted was free and during that time chatted with the lovely lass, simply oozing sex appeal in her lingerie.

In the room we kissed heavenly but the truth is that its her oral skills that compete with the best out there. She confessed that she loves sucking cock and it's been years since I had my bell end sucked so hard. Deep throat was sexy, her flicking tongue up and down my shaft a joy, my balls felt like there were in a vice and my bell end was finally so red from the suction I exploded. Don't get me wrong, I like it this way and Sapphire would go gentle if I wanted her to. Trust me this is a girl I would travel a long way to see.
