The Story:

Neela is a very pretty, sweet intelligent girl with a slim, sexy body. She has beautiful eyes and although I love a girl with lots of eye makeup, Neela really doesn't need much. She naturally has beautiful brown eyes, with black eyeliner she looks hot. I had booked Neela for 30 minutes, but after meeting this gorgeous stunner, I asked to extend my time to an hour. Luckily for me, this was possible. I enjoyed every minute with Neela, from start to finish she was polite, talkative and very eager to make me happy. We started the hour with lots of foreplay. Covered oral for me, before we had a hot and steamy session of great sex. She looks great in any position, from behind or on top, she looks so sexy. I can't wait to see her again, I think I've fallen for this girl, She is one of the best and most loveable working girls I have ever seen (and I have seen a few to say the least). Neela is a real gem. Treat her with respect, she deserves nothing less.
