It's a residential property not far from the town centre.

### The Lady:

Anita is about 5ft tall dark Indian girl but it's the not the girl in the picture

### The Story:

Should have walked out as soon as I saw her but I needed a punt and she was'nt that bad. Very basic service and not very professional, which belong to the 1980's massage parlour. Will not go again. I also hate people using other people's pictures.
