The Premises:

Newish parlour on King Richards Road.

Free parking on main road.

Place was warm, clean and tidy.

I had planned to go to the Chinese place behind the Taxi office that I have reported on before.

Parked outside and rang the number to ask if the girl was free. Told she was free but as I got out of the car saw another punter going through the rear gate so decided to drive to the New Bamboo Lounge round the corner.

The Lady:

Given a choice of three girls. Chose the tall, dark-haired girl from Russia called Honey. She is twenty-five, slim with small pert tits and a nicely trimmed pussy.

The Story:

Started with the regular back massage. I had been told the price, on entering, was ?40 for one service and was somewhat surprised when she asked if I wanted any extras. She said Oral With was ?20 and Sex was ?20 but readily agreed to ?20 for both. But no kissing and no OWO. She got me semi-hard and put on the rubber. BJ on the bed and then stood in front of mirror. Warned that I could only come once. So onto bed for doggy and then mish. Nice tight pussy and didn't hang back for long. Nice enough punt but nothing special. Perhaps my fault as I was still thinking about the Chinese place. Look forward to reading other punters experience so recommending her.
