The Story:

Met at the door by a very chatty, friendly maid who turned out to be Paris. Shown into bedroom and opted to see Mandy for half an hour. Handed over the fee and was assured that she would be with me in a couple of minutes. Life then became interesting as Paris came back and said that as Mandy was delayed would I like her to warm me up with OWO. Naturally said yes and was treated to an expert blow job while I explored a delightfully slim little body. Paris also tongued my balls and before going to get Mandy described what other delights I could expect (including anal), if I chose to see her on my next visit. I assumed that I would have to wait some time for Mandy but she came into the room immediately, stripped naked and proceeded to give me a most enthusiastic GFE with DFK, RO and a long leisurely ride in missionary and cowgirl. She knew exactly what I wanted and spared no effort to make sure that I enjoyed myself.

I do not usually go to parlours but I cannot wait to go back for a full blown threesome with these two delightful ladies.
