The Story:

I email the establishment a week before my visit to London. Good and accurate response. I booked Lucia and asked if some foot-fetish can be incorporated within session... Positive!

I arrived on time, Lucia was waiting for me. Very nice setting of room: floor mattress, massage table, candles...etc.

The whole session was interesting. Lucia's very warm and can lead very interesting and deep discussions. Her smile is extremely warm.

Massage was very sensual & tantric. It started dry with powder and then wet with oil. She alternated between use of her hands and feet (she had fresh red nail polish).

The ending was fabulous. Good showering facility, then took off.
