The Story:

this was my 2nd visit in a matter of days! words cannot describe how cool this girl is....great personality and real fun to spend time with! she puts you at ease straight away and no awkward moments.

scarlett was wearing a very sexy silky short dressing gown and had some very tasty underwear on also. She is just like her profile describes.

Scarlett gives a great GFE, lots of french kissing and I mean proper french kissing gets you in the mood!!

we started off with a chat on the bed followed by some french kissing - I was still clothed and scarlett had lingerie on but we soon took care of this and off came the kit! scarlett gave me nice hot blow job and I returned the favour with oral on her and then we were both ready for some serious action. Condom on! Scarlett rode me on top...boy she seemed really into it (either that or she is an extremely good actress)! finished off with missionary where it didnt take long for me to blow! Real good hot sex lots of kissing and body contact and scarlett was very vocal the whole time! chatted about general stuff and then a shower and I was on my way...will be back to see this gorgeous girl very very very soon!!
