The Premises:

Very clean ground floor flat in an Edwardian block in a plush part of West London.

The Lady:

Selene - fit Czech/Italian lady with long flowing jet black hair.

Aphrodite - Northern English lass with curly brown hair and tasteful tattoo on her back.

The Story:

Went in for a four handed tantric massage. Started off with a shower on my own and then the two delightfull ladies came in. We started off with some breathing exercises and then I got on the massage table for the main course. What followed was an hour of sensuality through use of their hands, hair, breasts and bodies. Selene finished me off with an explosive happy ending.
