The Premises:

Safe, clean, shared with other lady, but I didnt mind.

The Lady:

Young, slim, very cute baby-face, very friendly. English is not very good, but I came there not to have a conversation though.

The Story:

Decided to use this agency again, cos of last time good expiriens with agency and time with Julia. The receptionist recommended Cherry, as a GFE escort and she was only 2 or 3 days working in London. So I did like it very much!

About the main: she did perform great oral, she kept eye contact whilst sucking me, what I realy loved. Sex was good, I decided to fuck her from behind so that I could see her nice bum. Didnt try A-level, but was offered.

I had a nice time with Cherry, she is a lovely young lady.
