The Premises:

Very cold (both in temperature and welcome) apartment needing some attention in Armouries area of Leeds. Bed clothes stained. Good hot shower but no heat in the bathroom.

The Lady:

Reasonably attractive lady older than it says on website - probably 24 years or so and not new to escorting as claimed. Lovely small breasts and firm arse good for spanking.

The Story:

Entered apartment and kissed briefly. Lady dressed somewhat frumpily, jumper on, not sexy at all, but in mitigation it was cold as she could not get the heating to work. Offered drink and choose a cuppa tea but the choice was just coffee or coke. Isabelle talked lots about her work outside escorting but did not offer cuddles or kissing. I asked if she did anal (as thats what it said on the site) and she said she didn't normally but would go along with it if that's what I wanted. Into the shower (by myself,) she did not offer to warm it up for me, and then to the bedroom which was very cold so for starters I kept my top on and she her jumper. Some cuddling and kissing with her teasing and stroking my cock - very nice - followed by me giving her some oral which she seemed to enjoy. Her cock sucking was great with plenty of perineum and anal stimulation on me followed by gentle spanking by me on her and she on me.

Finshed off with gentle anal from behind (a lovely tight arse)sex in the mish position and to finish I came in her mouth which she swallowed.

All in all a nice 90 minutes but it could have been so much better.
