The Premises:

Zara works in a pleasant enough flat in central Norwich, and I have seen her a couple of times in Hotels. The flat is safe and discreet.

The Lady:

Zara has long smooth legs, which look great in stockings, a firm young body and absolutely perfect C/D cup breasts.

She has dark hair although was blonde at one time. She started working when she was a student but has now graduated.

The Story:

Zara looks and smells fantastic. She starts with a chat and an offer of a drink, but will soon start to remove her clothes when prompted. Usually wears short skirts or dresses and high heels. She loves sucking cock and gives it plenty of attention. Looking at her beautiful 21 year old body as you fuck her is worth the money in itself, and the fact that you can have an intelligent conversation beforehand adds to the experience. She is not as experienced as some, which does show, but this for me is a positive because she is fresh and new. Some hardened punters might find her a bit reticent but that would be churlish.

Her breasts really are the best I have seen in 20 years and totally natural.
