The Premises:

The Website suggests an upmarket venue and so does the pictures of the girls. sadly these are magazinbe models and not the real thing.

Beware, it is a shabby building in a row of buildings and i suppose not that discrete. The rooms are cleanish, though the whole place is tired and worn out.

The Lady:

The recption said the 4 girls on duty wer over 30s. Actually only 2 there and both looked about 40. I guess with makeup and boob jobs it can be difficult, underdressed, you can tell the age.

The Story:

I did not enjoy it. No kissing said Sindy (completely unlike the phot image) and i was relieved. She was 45 ish, boob job, thin body and 5ft 1in. Black hair, boobs 32d. BJ was covered and so the mechanistic business. There was a shower in the room and i used that and dried myself with worn out teatowel. Paid for 30 mins, out in 1`5 mionutes, a learning experience, not for me this place.
