The Premises:

Pretty basic parlour and a little exposed. Fit for purpose and warm though.

The Lady:

I'd guess late 30's early 40's, blond , attractive but a little larger than I like my women usually. That's not to say she's fat, just that I like slim women :-)

The Story:

I was hoping for a 2 girl treat but when I got there, Sally had just gone into the only room with another punter. Brittany at first asked me to come back but I suggested a quicky on the sofa in reception. This seemed like a fun idea at the time but it turned out to be a bit cramped . Brittany offered her "specialty" deep throat which I readily accepted and boy can she take it deep. I can only think of one or two other occasions when a woman has got all my cock down her throat. Brittany gets an extra star for holding it there until she gagged though!! Sex was pretty unremarkable mainly due to me being distracted.... Still, she finished me off by hand whilst licking my nipples whereupon I came all over her boobs. Nice. If I had any complaints it would be that it was a bit "by the numbers".

A pleasant enough punt and I'd return if only for one of her fabulous BJ's
