The Premises:

Smart serviced apartment.

Very clean and private, went straight to the door via lift.

The Lady:

Gabriella looks a little older than her photos, now more refined in her late twenties. Beautiful face, black hair that just covers her neck, pear shaped breasts with 1 inch sensitive nipples, a slim waist, pouting pussy and slender legs topped by a peach of a bum, although very English, she looks more like some of the beautiful women you see in Rome.

The Story:

This girl is as Jerry Hall described the perfect woman, beautiful and charming in the sitting room and a porn star in the bed room. Gabriella loves cock, she sucks it, licks it and takes it deep throat, she begs for it. She loves cum and dribbles it from her mouth onto her breasts and then wants more. Her pussy tastes sweet and she loves to play with her toys.

All in all one of the best sessions I have ever had and I will be back for more.

Thanks Gabriella.
