The Premises:

Nice Leeds City Centre location near a big open car park. Excellent directions from Rachel, who i must add was splendid in negotiating the punt for me as she was not available. As i had been trying to see this beautiful woman for ages, she checked if i would see i could see at 11pm and the answer was yes.

The Lady:

Lovely Indian woman, 5ft 5in, black/brown hair, breasts 34dd, nice figure. pretty face, i had been dreaming of meeting up with her and willing to do so even if it meant a long drive.

The Story:

Simply delightful, we chatted for a while, she has a great laugh and it was fun. She does an excellent BJ without and her kisses were lovely. Rest of details i do not need to go into and we found positions that worked well. She is so good at making me relaxed. She is getting to be very popular so i hope i can meet up again in the future. Thanks darling and to Rachel the receptionist who fixed it for me.
