### The Premises:

A great establishment, very high standards and is fast becoming one of my favourite places to punt. A safe discrete side entrance, no worries there.

### The Lady:

Sara, is an asian girl about 5'3", large breast, and a nice round arse. She has shoulder length dark curly hair, and a pretty face.

### The Story:

Sara, was very pleasant, and very accomodating. She made sure I had a refreshment and offered, for me to have a shower to warm up as it was freezing outside.

After my shower she came in and gave me an amazing back massage, hitting all of the right spots, and not just the customary rub you sometimes get. Worth the visit just for the back massage!

She teased my balls and cock from behind, and eventually I turned over for an amazing OWO.

Sex in lots of different positions. She really gets into the swing of it. well worth a visit, and very pleasant with it too.
