### The Premises:

Very nice place. Room had a big bed & large mirror on wall.

### The Lady:

Eve has the prettiest face of any girl i've seen. Silky blonde hair, smooth skin & a voluptuous body. Abi Titmuss look-a-like. A lovely accent too, could listen to her all day.

### The Story:

Action started with a back massage. This was quite firm & enjoyable.

Eve soon turned me over & started OWO. She had a nice slow & deep action & held eye contact the whole time. We then lay next to each other for a snogging session. No holding back from Eve, DFK with lots of tongue action. Then into RO with Eve grinding her pussy on my tongue harder & harder. It was then on with the rubber. Highlight was taking Eve doggy while watching ourselves in the big mirror. A little more OWO & Eve sucked the little guy dry.

After a short rest it was back to the action. More snogging & more OWO before i shot over her tits.

I thoroughly recommend Eve. Even though it was the end of a long day for her she gave her all & we actually run a little over time. A top girl who seems intent on giving a good service.
