### Details of Service Provider:

### The Premises:

Shabby flat on the top floor of dirty walk up. Shown into room quickly.

### The Lady:

Very attractive dark haired lady - looked Italian, but didn't get into conversation with her as it was all business from the start.

### The Story:

After settling up it was straight down to business - decided on O with pos - O was horrendous and she couldn't get it over with soon enough, Pos was from behind - OK but she then turned over for mish, complained about it, and tried to finish with by hand which actually hurt- awful and ended up leaving without a finisher. Very attractive lady but horrendous service - avoid at all costs. Great shame.
