The Premises:

Was my place, but she showed a lot of reluctance to move around. no sex on couch :(

The Lady:

5/10. (10 being how good her photos suggest she looks)
same girl though

The Story:

i have used bubbles 4 times now, and this was the only bad experience (i wouldn't say the others were 'amazing', but they were decent for the money.

She asked me for additional ?100 to even kiss her body, and kept persisting even though i initially refused. Finally paid her, as I had already paid 120 and didn't want to spoil the experience, but even that did not get me a satisfactory service.

a really forgetful experience for an otherwise professional agency
