The Premises:

Top floor above block of flat near Shenfield station. I felt safe at all time. The flat was a little old, but clean.

The Lady:

Vicky is a slim Thai girl with long black hair and great figure with enhanced breasts. She say she is 24 year old, which look about right.

The Story:

I enjoyed my time with Vicky. It started with a massage, OWO then on with the condom for the main act in various positions. A Level was on offer for ?40 more.

Her English was good and you can have a chat with her and she tries to please. I was offered a shower after.
