The Story:

Now this was totally different to what I was expecting. I knew I would get DFK and a "full service" but Helen was genuinely friendly and simply put me at ease from the very first second. She had a huge smile on her face and a twinkle in her eye.

We did whatever I wanted but it was the little touches of conversation and cuddles which made the punt for me. She maintained eye contact through out the OWO and stroked my bollocks while we shagged whilst the kissing was great.

Thanks Helen - not only did I have a good punt but I think I met a lovely person as well. Now I know that I paid for this service but none the less it was a pleasure all around.
