The Premises:

This is a really good establishment. Close to the railway station but nice and discreet. The reception staff are great. Everthing stays very private and the whole place gives off good vibes. It all looks clean and well managed

The Lady:

She is a busty brunette with great curves. Her pussy is nicely trimmed. If you look at the website it is her. Shame you can't see her face because she is exceptionally good looking

The Story:

Had 30 minutes spanking and sex and wasn't disappointed. She advertises as the house domme and it didn't take long for her to get me over her knee for a good session with her hand. She finished it off with a selection of canes and it was all spot on. I was surprised how quickly she switched because as soon as she had finished spanking me she put on the rubber and bent over for it. After some good doggy (with plenty of encouragement) she whipped off the rubber and wanked me off over her tits. Highly recommended
