The Premises:

The IK Penthouse, to their usual standard - ie immacuately clean & warm (on a very cold night!)
Very safe area near the Armouries - multi storey car park nearby if required & a cash machine!

The Lady:

Stunning looking dark haired lady with an amazing body. Beautiful eyes, dazzling smile, slim but not skinny body with smooth coffee coloured skin, perfect pert breasts & the most perfect ass I have ever had the pleasure to hold.

The Story:

I must admit I was slightly dumb struck when I first clapped eyes on Leah as she really is so stunning but she soon relaxed me over a glass of wine & chat on the sofa. Very chatty & friendly and then it was into the shower. I watched Leah strip as I dried myself but the towel was soon dropped so I could get my hands on her amazing body. Leah says she loves to kiss & it shows, as she is one of the best kissers going. For those that want to know the "nitty gritty", you will have no complaints - fantastic OWO (my balls were still tingling hours later!), 69 etc etc. The ultimate GFE! The hour (well about 10 mins over) passed all too quickly.
