The Premises:

On main road with big numbers 211-213 on window. Big windows with curtains. Can get off street with open door and then ring bell. Welcomed (in a way) by young tasty woman who emphatically said she does not do massage though manages the place. 2 ladies were introduced, one small and trim and another small with big breasts, choose the former. Nice double bed with shower. Not sure about the piped loud thai music though.

The Lady:

About 30, with small breasts, 5ft 1in, toned body and lovely bottom. Sadly no kissing. black short hair and pretty face.

The Story:

Massage was not so bad and as the fee for all this encounter was a bit high, so wanted her to start the main course. The covered BJ was not so good and yet the fucking was brilliant with her tight responsive pussy. Managed to come and shower within my time. Not bad loved holding her tight toned bottom, hmmm.
