The Story:

Entered the apartment to be greeted by Sasha looking stunning in black. Deep passionate kissing started once the door closed. Lovely.

Sorted out the finances and then sat together on the sofa enjoying a glass of wine. Her outfit accentuated her figure and hid very little, her black panties in view.

I couldn't stop running my hands over her stocking covered legs, and then we moved closer and kissed passionately for a while. Asked Sasha to give me some help with the shower which she jumped at so off we went for a lathering - very nice. The little man was up to attention in no time.

Quick shower and then off to the bedroom for lots of fun.

After dressing to leave and just finishing off the wine the little man came back to life so I decided to stay for another 30 minutes. Sasha was only wearing a towel so we quickly went back to the bedroom, I undressed and we continued the fun.

Will I see her again? Yes! Yes! Yes!. I am already saving the pennies and will spend at least another 90 minutes with this lovely lady.

Treat this lady nicely as she is without doubt one in a million. I definitely felt like her boyfriend for the time we were together.
