### The Premises:

Top floor flat in central location. Good view when curtains are not drawn. Nice room, if a bit cold. Excellent bathroom including a good working shower. Was offered a drink which never arrived.

### The Lady:

Tall and slim, aged around 40, but well preserved. Friendly smile. Good attitude.

### The Story:

Like most ladies who work here, she has a positive attitude and is versatile. The experience was good, but I was out after 40 minutes despite paying ?130 for an hour. Also, the large loom was not as warm as I would have liked it to be.
