The Premises:

Her new place, a much grander one than the previous small cottage.

Safe parking close by at pay and display area.

The house itself is her home as well as a place of work, she keeps it clean and tidy, a haven of peace and tranquility close to the heart of town.

The Lady:

Ruth is a gorgeous slim flame haired temptress, mid 30's size 12.

The pics on her website give a good indication, but don't show her face, but fear not, she is very attractive.

The Story:

I have lost count of the number of times I have seen Ruth over the last 2 or 3 years, she never disapoints.

On arrival we kissed and chated on the couch in the front room, our hands explored each others bodies, she removed my shirt and sat astride me, kissing deeply, this got me greatly aroused.

After a while she led me upstairs to the bedroom, where the rest of our clothes came off in short order, there followed a bout of owo with me standing and Ruth kneeling, I had an excellent view via the dressing table mirror as well as directly downwards, very horney.

Then onto the bed for reverse oral and 69, during which Ruth had an orgasm, this is a rare occurence, in fact a first for me with this lady.

Once she had recovered, she gave me some more owo then on with the rubber for some vigorous sex in various positions. Conclusion was via owo and cim.

Ruth is the very definition of Girl Friend Experience,
