### The Lady:

Stella calls herself an International Porn Queen, which is a little over egged, she is pretty enough, but very vain and delayed our meeting 3 times as she wasn't quite ready.

### The Story:

Stella did the meet and greet very well and the promise of a lovely encounter after tea and biscuits was there, unfortunately it started what was to be a serious of delays designed to evapourate the time. After 20 minutes of tea and biscuits we went downstairs to begin our first and unfotunately only encounter. Sex was actually quite good, her inner muscle control was fab and I blew my load all too quickly. She then offered a massage which I gladly accepted, she did a very pleasant massage, but when I turned over for round 2 with quite a large penis, it was very plain that round 2 wasn't going to happen. She said she had to go pick up her daughter and that I had to leave. I left very disappointed and horny, which was a shame really as it could and should have been so much better than it turned out.

On reflection I think this was just a bad encounter and I would not recoomend her and certainly would not return.
