The Story:

I have been to Indian Palace on several occasions, and as much as I love going there (beautiful ladies, clean place and very discrete, are just some of the reasons why I love the place), one thing did put me off slightly, and that was being welcomed by a male maid! Don't get me wrong, they all seemed friendly, polite and helpful, however I have to say, being greeted by a beautiful sexy lady beats being welcomed by a male maid any day. Anyway, to get to my point, much to my surprise, as the door opened, it was a beautiful Indian girl standing before me and not some random dude. Apparently the ladies now open the door to their customers and not the male maids. I think that Indian Palace is now officially my favourite place.

Back to the punt. I decided to try Sanam this time, her photos looked fantastic. She welcomed me wearing what she has on in her photos, which added to my joy. After exchanging money, I did ask her to come back in wearing a sexy nurses outfit, which she happily did. She came back looking so sexy I couldn't wait to get started. She sensually massaged me and I asked her to concentrate on my inner thighs, which she did wonderfully. My cock was hard from the minute she opened the door for me, so I knew I wouldn't last long. I did get a chance to caress Sanam's body. She has a very sexy body. Nice legs, very womanly.

I managed to get Sanam to give me a good spanking and got her to tell me how naughty I was for coming to see her. She was very dominating. She finished me with a sexy hand job. She played with my balls whilst stroking my stiff cock.

I will definitely be back to see Sanam. Now that I know I will be welcomed by the ladies I can not wait to return to my new favourite place.
