### The Premises:

A flat in a council block near Cambridge Health Road near Bethnal Green. The flat is a little run down but it was tidy and clean. Parking is a problem there. I parked at the Sainsbury car park which is free for 2 hours if you spend more than ?10. I felt safe at all time.

### The Lady:

The photos of her are much better than her in real life. She is much bigger than the photos. She wore no make up and very casually dressed. Her English is just OK and have been in the country for 2 months from Poland.

### The Story:

She was not ready on time and I had to wait 20 mins for her. Once got there, I was offered a shower. After sorting out some loud music, we got down to business.

She started with OWO which went on for a good 15 mins. She was quite good at it. Then she suggested we have sex and put a condom on me and laid on the bed. I shagged for for a good 5 mins and then changed positions which she was not really keen on. I asked for A-Level and was told I am too big. I am definitely not "too big". After a few minutes we went back to missionary and I shot my load.

She then left a pack of wipes for me to clean up myself and left the room and came back with a glass of water for me. She then got dressed and asked if I want to shower again. I guessed that was it then.

She clearly states, OWO, CIM, A-Level and cum unlimited were on offer. I got far less. I was only there for 40mins and decided it was time to leave after a shower. I will not be back.
