The Lady:

Cherry is a slim very attractive woman who has a great shape, not size zero but fairly close. Her best feature is her pert bum that has a very attractive wiggle as she walks. Her breast are a joy shapely with great nipples that need to be carefully caressed

The Story:

Cherry was great fun, very sensitive, very responsive and overall a lovely person. You soon forget she is working and can be seduced into thinking she really is your girlfriend. It would be interesting to see Cherry with a girlfriend.
