The Premises:

New apartment block. Should have been good. But bathroom was grotty (dirty clothes on floor) and bedroom was just about functional. A 'working' flat.

The Lady:

She looked OK to me. Bright red hair threw me a little but she was friendly enough. Dragon tattoo was OK.

The Story:

I liked Monica-Louise (profile on other website), she has a good attitude. But a few minor points and one almighty 'stinker' means she has a thumbs down from me.

No kissing, a shame because she looks very kissable. Plus she disappeared for a long time getting drinks.

But the problem was her personal hygiene down below. Very smelly, very unpleasant. Perhaps it was my fault for dragging her away from the sweaty Christmas shops. But how long does it take to have a shower.

She gives a good blow job (uncovered). Has a really nice ass. The sex was good.

So if you can't smell or have a clothes peg to hand than she may be your cup of cocoa. But be warned. Before moving down below ask her "is it safe" (in a German accent if you like).
