The Story:

Arrived on time looking incredibly sexy and was not disappointed. Agency had enquired whether I wanted Lilly to wear anything special, but I said just to arrive natural. Once we got the fee out of the way sat and talked for a few minutes to get to know each other, before Lilly went and got changed. Came back into the room wearing white hold-ups with a lacy halter-neck bra and knickers. She asked me if I liked what she was wearing. Liked was an understatement, I loved it. Sat down next to me and after lots of sensual kissing and touching it was off to the bedroom. I am not going to go into details as to what happened next, but suffice to say that a full gfe was given and Lilly has an incredibly sexy body. No clock watching but the time went far to quickly for me, and just wish I had booked for 2 hours instead. Definately will next time though.
