The Story:

This was the most erotic day of my long life. I had never attended a party before and this was beyond all expectations. I arrived very nervous but Lady M put me at ease and one of the girls gave me an assisted shower. The girls and we 12 punters had a drink and chat in the lounge then at 1pm a girl took my hand and led me downstairs. I often have difficulty getting an erection and when I do cant always cum. The only word to describe what happened is orgy. The girls, punters and staff are all very friendly with only one aim - non stop sex. I amazed myself (and Lady M was impressed) that I only had 3 or 4 10 minute breaks for a drink and snack - though they were more to recover. In the 4 hours I popped 5 times and had sessions with all 7 girls, some of them several times. I did not think it possible for me to perform like this and I feel 20 yrs younger for it (although still exhausted). I wanted to try this once in my life but will have to go back to make sure I wasn't dreaming.
