The Premises:

Well desribed venue and on a sunday very quiet area and discrete.

The Lady:

I guess early 40's, not bad for age but not too stunning

The Story:

Arrived at venue and was let in. Made to wait a few minutes to view the two ladies available. There was a background discusion as to the girls rota, which seemed to be more important than taking my money from me.

After a few minutes Chelsea came to introduce herself, then Tara came and just said "hello".

Neither lady was special but as Tara did domination then I chose her.

In the room , again after a bit of a wait for the hot topic to be resolved, Tara arrived.

I asked for domination, got told to stand against a wall while she spanked me, just 6 times.

Then I worshipped her feet for a while before she got the condom out and covered me up.

Doggy sex for a few minutes and then I finished.

Disapointing because the rota story seemed to be more inportant than me.

Will visit the parlour again but not these two ladies..
