The Premises:

A bit of a confusing to find flat near Edgware Road Station. The place is very discreet, IMO. The flat is shared with another WG, but I never saw her. Apparently they do duos sometimes. August's room was very cozy and clean. Bed is a little low, but it was at least firm. Room has a good sound system, to which I hooked up my iPhone and played my own bonking music. There are also floor to ceiling mirrors on one wall. Shower was nice and powerful. Bathroom was clean.

The Lady:

Hard to tell her age, but after seeing her for the second time, I think she is in her late twenties. Looks young because she is Oriental. Her photos are very spot on in showing off her body and what she is about. She can be as cheeky and fun as the photos, but also very naughty. Great smile. Firm, enhanced breasts. Great ass. Soft skin.

The Story:

I had been with August before in a duo with another girl, but I never got around to being inside her (too much going on in a duo). I also read a lot of her past reviews wrt to her amazing A level service. My plan this time was to try A level with her and go for a more PSE and add in a CIF. I let her know up front what I wanted, and I should have listened to her and done the CIF first but I wasn't sure if I had enough energy for a 2nd round.

Anyways, her past reports were spot on. A level with her was amazing. She took a pounding from both doggy and mish for nearly 30 min straight with a short pause in between. Fantastic bum, fairly tight, and responsive. She had a vibrator in her other hole and I could feel it as I was in her?.incredible! She would also reach back and grab my balls, which just threw me over the edge. It was an incredible experience with the mirror, the vibrator, her hands, her moans, the music, the deep and slamming anal. I was totally knackered. Highly recommended.

After that, we spent some time recovering. A shower for the both of us. Cleaned up and then she gave me a nice massage on my legs. That carried into more cuddling, then more fondling, OWO, then the vibrator came out?one thing led to another and then she received a CIF.

I wanted more of a PSE this time, and that's what I got. She can be very cheeky and fun. Her jokes are quite funny. She has a pretty good DFK and can give you that GFE, if you want.
