The Premises:

The Old Coachhouse, clean, fit for purpose, warm, lots of free parking close by. Shown in by very attractive brunette, the standard uniform of black very short split outfit with knee length socks, does it for me and soon joined in the office / waiting area by another lovely brunette. Shown up the stairs to room No 1 and the view from behind of a fine rear in a tiny thing has the desired effect.

The Lady:

Natasha is an exceptionally attractive brunette in her early 30's, very pretty facially, perfect 32 E breasts and petite.

The Story:

I opted for the fully naked body to body option and was pleased that I had. Soothing music filled the room as Natasha rubbed the magic oils into me in a gentle massage, closely followed by moving her body against mine from behind brushing my back and neck with those magnificent breasts. Turned over and much better from this angle as Oil was massaged in to all the right spots and Natashas rubbed herself all over me before being brought to an oily climax by Natasha's magic hands. Time for a shared shower before departing.
