The Lady:

Tallish Blonde, long legs, great tits as per web site although some photo shop manipulation evident

The Story:

Booked her for a couple experience, as per web site details and confirmed by agency, as wife is bisexual and we fancied a threesome. It became pretty clear that Thalia was probably not bisexual or had any experience with couples. She basically didn't have a clue an here services were reluctant if not non existent OW was a particular turn off for me, not willing to kiss in any way. Couldn't wait to get go and left half hour early as we got bored of her company, to make matters worse then tried to get another ?20 out of us for a cab but then admitted someone was waiting for her! Avoid this girl, avoid agency, complete rip off.
