### Details of Service Provider:

**Company:** City Centre Escorts

**Website:** <http://www.city-centre-escorts.com>

**Phone:** 01412800135

### The Premises:

Secure entry flat outside city centre with plenty of off road parking.

### The Lady:

The girl on the website has her face blurred which is the only similarity with the girl who answered the door because she looked like her face was permanently smudged. She had deep sunken eyes, poor complexion and straggly hair.

### The Story:

A previous report gives you the flavour of this "lady" and I would agree that she is one to be avoided. I haven't used this agency before but if this is the standard of their girls then they can forget about my business.

STEER CLEAR!!!
