The Premises:

Dodgy entrance right on the main road, quick jump through the open door into a porch off the road and safe. Place is clean and cheerful, small room had some really well placed mirrors and well lit up. Plenty of parking on surrounding streets.

The Lady:

Slim size 6 dark curly long hair,nice tan and clean looking. lovely shaved pussy, nice pleasant girl, I would say around 26.

The Story:

Went for oral and sex both covered. Started off with a massage which was ok, then Maria started licking my balls which you can watch with the mirror on the ceiling, on with the jacket for some good oral again you had a great view with the mirror bang at the side of the bed, she then mounted me for sex which we also had in doggy and missionary, finished off with me sat on the side of the bed and maria wanking me (condom off) to completion. Cheap and cheerful punt which is superb value for money, I would recommend to anybody.
