The Premises:

I expected to be going to Golden Square, as this is where Donatella had previously been. However, she has now moved into a nice ground floor flat near Crown Street, an area I'm very familiar with. Very clean, very spacious - wouldn't mind living there myself! Plenty parking space outside, which was free since it was late. There's lots of parking spaces in the surrounding areas anyway, and it's only a 5 or 10 minute walk from the College Street car park (and, indeed, the train station).

The Lady:

About 5'8 tall, maybe a size 14 or 16 (she's nae skinny, but she's not a BBW either), and lovely big, soft breasts (must be an F cup). Whether the girl in the photos is her is debatable - she could certainly have looked like that when she was a size 10 - but as her face is not shown I've never felt cheated. Basically, if you like the girl in the photos, you'll like Donatella.

The Story:

Started off with Donatella getting me to give HER a massage - apparently the one I gave her last time was quite memorable, which is odd as I don't think I'm particularly good at it. After that she gave me covered oral, followed by some kissing (not FK unfortunately), cuddling and just generally pressing against each other passionately. Then onto sex with me on top, and once I'd finished Donatella asked if I wanted a shower. I thought she was ending things early, but when I came out she was back on the bed and gave me a very soothing and relaxing massage. This was my third time with Donatella, and I can't imagine it'll be the last, although she apparently has two friends who I'm going to have to try out...
