### The Premises:

A quiet residential street, it was a block of flats and felt safe

### The Lady:

A very petite Hungarian lady she was about 5ft 3 in heels. A mature lady but was in good shape with medium breasts

### The Story:

Started off with a massage me on my stomach. By the end of it she had stripped off and was giving me a B2B rub. I then turned over and she started off OWO and this went on forever. Had the feeling if i came at this point the appointment would be over.

We then started in cowgirl after the rubber was on and the doggy and mish.

Finished off in mish as i FK and it was fantastic
