### The Premises:

Clean and safe

### The Lady:

Size 14", dark hair, large natural breasts, deep voice, about 5'8" and around 40 years old. Not chatty.

### The Story:

Started with a very mediocre/unsexy massage which went on for about 15 mins which was followed by her putting a condom on me for a BJ (which wasn't great) and then her riding me for a while and then doggy but she kept having to stop to put lube on herself (not sexy and proving her moans of ecstasy to be totally false) and then a BJ again with a condom (I had paid ?120!?! ) which was quite painful toward the end as it felt like she was more biting my cock than sucking it and then finally a hand job to finish which was the best bit. Was left dissapointed and with a sore red mark on my manhood so she had been grating me with her teeth even through the condom. OUCH! Avoid this woman... You've been warned...
