The Premises:

It was in a mid-range national hotel chain, at a branch on Chapel Street. They don't challenge you when you pass reception, so no worries. The room was clean and adequate, and I enjoyed a nice shower afterwards.

The Lady:

Bionca looked like a hottie in her blurred piccies, but it was definitely her. She is about 22-ish, and 5'3" or so without heels, plus gorgeous long blonde hair. What a body! And a beautiful face to match! She was wearing a sort of leather trouser/vest combo and heels when I arrived. She is very clean, with a fresh, very snug pussy and skin you could caress all day. Just an absolute babe - a real head-turner.

The Story:

My lucky streak continues with this young lady. I was only there for an hour, but had a really superb time. Bionca is a Polish girl, who really enjoys sex. Her sexual response was dynamite once her motor was running, and she was skilled and passionate. Just a joy to the senses to be with her. We started with some RO, got her kicked off good style, moved on to OWO and sex in several positions for the next half hour or so, some noisy 69 and OWO to a really happy ending. I should mention her world-class rear end, the mere sight of which in doggy and 69 made me want to applaud. Not to be missed.

Unexpectedly, she turned out to be smart AND really nice. She says she is a student, and her English was pretty good too. Not surprisingly, her rates went up the following week because of demand!

Another happy outing for me - don't hesitate to book her when she comes back on tour.
