The Story:

I phoned Charlotte to make a booking for the following day, she answered it straight away. Her telephone manner was fine, I didn't feel any negative vibes from her so I booked it.

I phoned her the following morning at the specific time she asked me to and I was welcomed by her lovely voice again and we agreed to see each other later that day, she txt me the address of her flat, and I got there on time so I called her and went to her flat, her flat was very clean and very classy, she showed me around and offered drinks and toilet which I'm very grateful for. I passed the money over and from then on she was like a true girlfriend!

I don't like to share too much detail, it's best kept for me and her, but what I CAN tell you that she is a pleasure to be with, a real GEM, she kisses, she sucks she undresses, and she loves it and I loved it too, oh almost forgot, Charlotte gave me a very lovely massage, and she led our appointment from beginning to end with such passion!

Thank you Charlotte! xxx
