### The Story:

I have not had many bad experiences with WG but this was one of them. Was met by a friendly lady paid her ?40 and chatted while Chloe finished with a client. Was shown into a smallish room with double bed and tv showing porno film asked Chloe about OWO was told its extra ?20. Started with what was supposed to be a massage but wasnt dont know what to call it then onto oral RUBBISH mostly hand with about 1/2 inch in mouth and then not all the time tried sex her on top WORSE back to oral had to stop her because it was painful and told her this didnt seem to care ended up finishing things myself over her bum this girl is in the wrong job but she only works on sundays so maybe I will go back on another day but I doubt it as The Georgian is only about 1/2 an hr away
