The Premises:

Well reported. Safe enough with discreet entrance although it's on a busy street. Parking is a quid around the corner.

The Lady:

Very sexy and a slender size 6 I would guess. Smooth and tanned skin with a gorgeous bum and small boobs. Attractive girl with a sexy look.

The Story:

I picked Susie because of her long legs and peachy bum, which she uses to good effect. Oral was with and she doesn't obviously do CIM which I like. She does everything that she advertises, but hasn't got a long menu. This apart I thoroughly enjoyed my time with Susie and felt relaxed throughout. We did the usual positions selection with a hand job to finish. I would recommend Susie to nervy or inexperienced punters but not if you like more hardcore activities.

Thanx for a good time. xxx
