The Story:

In the next room I had a shower when I returned Suskia was waiting for me with a glass of wine she really make me feel at home we where soon kissing like lovers into bedroom more kissing owo was magic I had to ask her to stop or I would have cum. Then it was my turn licking and nibbling her beautiful sweet pussy got her quite wet she seemed to be really enjoying this, I know I did. I asked for anal she told me she love that too, after that she got on top cowgirl style she rode me until she came this woman is just the best I have seen needless to say I will be back, treat her will fellows we have a new gem on the block
