The Premises:

Industrial unit which has been done out quite nicely inside.

The Lady:

Was told she was mid 30's but I'm guessing late 30's early 40's. Fantastic GG or H boobs but the rest of the body work is showing her age.

The Story:

Paid for the full GFE but not much kissing and cuddling was delivered. She uses her best assets to good effect and her OWO is good. Sex lasted about 30 seconds as I was obviously hurting her??? So I opted for a prostate massage and HJ. Her idea of a prostate massage is sticking her finger up your arse and leaving it there with no massage going on. Basically this punt was too expensive for what it delivered and on that basis I wouldn't return.
